DETAILED ACTION

Allowable Subject Matter

1. Claims 10, 17, 18, and 21-50 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Independent claims 29, 31, 35, 42, and 47 were previously dependent claims that were objected to as containing allowable subject matter but being dependent from a rejected base claim. They are rewritten as independent claims and include the limitations of now canceled claim 16 and are now placed into a condition of allowance. Their dependent claims therefore also placed into a condition of allowance.

Claim 50 was previously stated to be in a condition of allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
